PATERSON, N. J., May 25.-(Special)-Richmond again demonstrated to-day the uncertainty of base-ball by winning a game that had been apparently lost by the Johnny Rebs. Jones, for Paterson, pitched a grand game, not a semblance of a hit being made off his delivery until had been offered to retire the side, he became angry at the way the team behind him were playing, and lost the game for Paterson. Stimmel, too, was in great form, and was almost invincible after the first inning. Peterson opened the game in a lovely manner, and before ide had been retired three runs were in. After Keister had been retired, Heldrick was given his base, Haller foulflied to the catcher, but Wagner followed with a two-bagger, scoring Heidrick. Hardesty singled, scoring Wagner, and Hardesty came in on Smith's well-placed hit to right. No more scores were made by the locals until the eighth, when Heidrick was again sent to first on balls. Haller then singled to left, and Eksey fumbled the ball long enough to allow Heidrick to score and Haller to reach third, whence he scored on Wagner's

deep fly to centre. Richmond started scoring in the fourth, when Stuart, with two strikes, was sent to first on four wide ones, and he went to second on a passed bad, and reached third, when Hargrove flied to centre, whence he scored on McDonald's slow whence he scored on the grounder along first base. Jones could not locate the plate in the seventh, and Hargrove walked. McDonald's grounder was fumbled by Smith, and both runners were safe. Wells then hit a hot ners were safe. one to Smith, who again made a mess of it, and Stuart scored. Kain flied to right and McDonald tailied. In the eightn clsey was sent to the initial bag, and when Elberfeld hit to Haller Elsey was when Elberfeld hit to Haller Elsey was off like a shot for second. Haller threw to Kelster for a double and the barl went to left-field. By the time it was returned Elsey was on third and Elberfeld on second. Stuart followed with a two-bagger over Heidrick's head, and Elsey and Elberfeld came in, tying the score. Hargrove, not to be dealed, shot states and the second states and the second states and the second states are second. a single to centre, and Stuart scouted home, which he reached in safety, Hargrove reaching second on a throw in McDonaid went out at first unassisted Hargrove reaching third on the play. The ball was kept going in the sixth. Heydon got base on balls, stole second, reached third on Welhl's out, at first, and came home after Leahy had flown out to right-field. McFarlan reached second on Burne's fumble and bad throw, and trotted home on a base-hit by Weddige. The latter scored on Shaffer's base-hit. Shaffer was caught at second. Eight runs had been scored, while the Hartfords had made but one—in the third—after two men were out. McAuley was given base on balls, and scored on Welh's error in fumbling. Thornton's hit and bad throw. In the eighth McAuley pounded the ball nearly to centre-field fence, and made a home run, as the ball fell in a pool of water, and could not be found. In the seventh Smith hit for three bags, after two men were out, and was left. In the second inning Gilroy accidentally coilided with Heine in stealing second, and the latter was disabled, Burns taking his place at short, and McAuley going to right-field. #### Reading Takes Another Game from

Lancaster was again defeated by the Reading tail-enders to-day, the visitors playing a fast, snappy game in contrast with the slovenly performance of the home team. Captain Ward's errors were home team. Captain Ward's errors were costly, his miss of a very easy chance in the second being responsible for three of the runs then scored, and his drop of a thrown ball in the eighth likewise contributing to Reading's run-getting. West pitched a fairly good game, but not as good as Amole, who made the Lancasters pop up files, twenty-one Lancaster batsmen.being so disposed of. Score: LANCASTER.

Repeated His Confession.

NORFOLK, VA., May 25.—(Special.)—
This afternoon Ned Crismond, one of the Portsmouth firebugs, was sent before the grand jury to tell about the firing of Whitehurst, Hall & Fiske's printing-office, from which the terrible March conflagration resulted, but he denied any knowledge of the crime, and charged that Deputy-Sheriff Codd had drugged him, and that his former confession was made while he was under the influence of something given him to drink. Crismond went back to his cell. Afterward he was told that his life was in the balance, and this evening he asked to go before the grand jury again, and stayed with them for over an hour, repeating the story told by him to the last grand jury. Repeated His Confession.
